110 Consulting's, Project Manager Receives Her Project Management Professional (PMP) Credentials Today

Bellevue, WA 10/04/2012 — 110 Consulting's, Sharon F. has achieved her PMI's Project Management Professional (PMP) credential. This is one of the most important industry-recognized certifications for project managers. Globally recognized and demanded, the PMP demonstrates to employers, clients and colleagues that a project manager possesses project management knowledge, experience and skills to bring projects to successful completion.

To apply for your PMP you must have a four year degree, at least three years of project management experience, 4,500 hours leading and directing projects, 25 hours of project management education and qualified client references.

Congratulations Sharon!

110 Consulting is a business and technology consulting company that focuses on all aspects of **Application Development, Business Intelligence, Customer Relationship Management, Marketing Services, Portals and Collaboration** and **Staffing**.
